Notice

To be cited **Not Sci Biol**

The Editorial Board of Not Sci Biol is not responsible for statements and opinions published; they represent the views of the authors or persons to whom they are credited. Publication of research information does not constitute a recommendation or endorsement of products involved.

Aims and scope

Notulae Scientia Biologicae is a quarterly peer-reviewed journal aimed at disseminating significant research and original papers, critical reviews and short reviews on life sciences and medicine, development of new methodologies that can be of interest to a wide audience of scientists in all areas of biology sciences. The journal encourages authors to frame their research questions and discuss their results in terms of the major questions of biology, agriculture, horticulture, forestry, biotechnology and medicine, thereby maximizing the impact, spreading and value of their research. The papers must be of potential interest to a significant number of scientists and, if specific to a local situation, must be relevant to a wide body of knowledge in life and medical sciences. Articles should make a significant contribution to the advancement of knowledge or toward a better understanding of existing biological, agricultural and medical concepts. An international Editorial Board advises the journal. The total content of the journal may be used for educational, non-profit purposes without regard to copyright. The distribution of the material is encouraged with the condition that the authors and the source (**Notulae Scientia Biologicae** or **Not Sci Biol**) are mentioned.

Submission

The journal offers to authors a fully web-enabled online manuscript submission, instructions for authors and review system available at <http://www.notulaebiologicae.ro>

Papers are published in English (British spelling) and the authors are fully responsible for the originality of their papers and for the correctness of their subject-matter, language and formal attributes. A language reviewer revises English, but authors are strongly urged to have the papers reviewed linguistically prior to submission.

Manuscripts submitted must be edited, for clarity and conformity purposes according to Authors guidelines, and must not have been previously published or simultaneously submitted elsewhere.

The papers can be submitted online by the “senior author” (the main author, or the person who takes responsibility for the integrity of the work as a whole, from submission to the published article). The submission process is described on the web site.

An Author Statement, available on the website, should be enclosed by “senior author” declaring that the paper has not been published anywhere else, permission to reproduce the material, authorship credit, contributors and creditors for the integrity of the work as a whole, to avoid the conflicts of interest and scientist fraud, and respecting the ethical principles of publishing, research and scientific rights.

Publication Ethics and Publication Malpractice Policy

The journal respects the publication ethics norms, based on internationally accepted best practice guidelines for journal editors, notably the Committee on Publication Ethics ([COPE](#)), the World Association of Medical Editors Ethics ([WAME](#)), the International Committee of Medical Journal Editors ([ICMJE](#)) and Consolidated Standards of Reporting Trials ([Consort](#)).

Prof. dr. Radu SESTRĂȘ
Editor-in-Chief

Contents

• Zoology

Dairy Science

A Review of the Metabolic Origins of Milk Fatty Acids

Anamaria COZMA, Doina MIERE, Lorena FILIP, Sanda ANDREI, Roxana BANC, Felicia LOGHIN.....270

Fishery

Morphometric and Genetic Variation in Three Populations of Indian Salmon (*Polydactylus plebeius*)

Ramakrishnan THIRUMARAISELVI, Muthusamy THANGARAJ, Vellaichamy RAMANADEV I275

Comparative Phylogenetic Study of Four Genes of Mitochondrial Genome in Tenpounder Fishes (Order: Elopiformes)

Vellaichamy RAMANADEV I, Muthusamy THANGARAJ282

Seasonal Distribution of Phytoplankton in Riwada Reservoir, Visakhapatnam, Andhra Pradesh, India

Jyothi KAPARAPU, Mohan Narasimha Rao GEDDADA.....290

• Plant Sciences

Botany

Foliar Micromorphology of Subtribe Ischaemineae, Tribe Andropogoneae, Family Poaceae

Rinku J. DESAI, Vinay M. RAOLE.....296

Local Diversity

Biochemical Studies in Several Dye Yielding Plants

Joylani D. SAIKHOM, Jekendra S. SALAM, Kumar S. POTSHANGBAM, Manabendra D. CHOUDHURY, Haripriya D. MAIBAM.....303

Ecology

Comparative Salt Stress Study on Intracellular Ion Concentration in Marine and Salt-adapted Freshwater Strains of Microalgae

Ahmad Farhad TALEBI, Meisam TABATABAEI, Seyed Kaveh MOHTASHAMI, Masoud TOHIDFAR, Foad MORADI309

Management of Stem-rot of Groundnut (*Arachis hypogaea* L.) Cultivar in Field

Khurood DOLEY, Paramjit Kaur JITE316

Can Bulk and Nanosized Titanium Dioxide Particles Improve Seed Germination Features of Wheatgrass (*Agropyron desertorum*)

Reyhaneh AZIMI, Hassan FEIZI, Mohammad KHAJEH HOSSEINI325

Microbiology

Effect of Basal Medium, Explants Size and Density on the *In Vitro* Proliferation and Growth of Date Palm (*Phoenix dactylifera* L.) Cultivar '16-bis'

Mouaad Amine MAZRI.....332

Influence of Additives on Enhanced <i>In vitro</i> Shoot Multiplication of <i>Orthosiphon aristatus</i> (Blume) Miq.	
Swarna JAYAKUMAR, Ravindhran RAMALINGAM.....	338
Physico-chemical Profile and Microbial Diversity During Bioconversion of Sugarcane Press Mud Using Bacterial Suspension
